4. What do you receive at the end of the policy term?

You receive the fund value at the end of the policy term.

What are the payout options at the end of the policy term?

On maturity you may choose to -

• Receive the entire fund value as a lump sum payout

- Receive your maturity payout in monthly instalments over a fixed period of 5 years, by opting for the 'Settlement Option'.
- During the Settlement period, applicable fund management charges & mortality charges will be applicable. The policyholder can ask to withdraw the balance fund value at any time during the settlement period.

When does the settlement period start?

Your settlement period starts from the maturity date and is applicable for a fixed period of 5 years. However, you have to opt for the Settlement Option at least 3 months prior to the date of maturity.

Does the life cover benefit continue during the settlement period?

Yes, in case of the Life Assured's demise during settlement period, we will pay the higher of fund value as on the date of intimation of death or 105% of total premiums paid, to the Nominee / Appointee / Legal Heir and the policy shall terminate immediately

Are you allowed to make switches during the settlement period?

Yes, switches are allowed during the settlement period. $% \label{eq:constraint}$

5. What happens in case of the Life Assured's demise?

In the event of the life assured's demise while the policy is in force or from the due date of first unpaid premium till the expiry of the grace period, the Nominee / Appointee/ Legal Heir, as the case may be, will receive the benefit under the policy equal to higher of fund value as on date of death or sum assured, either

- As a lump sum payout; or
- As monthly instalments over a fixed period of 5 years, if the policyholder has opted for the 'Settlement Option' at inception of the policy. Nominee / Appointee/ Legal Heir, as the case may be can ask to withdraw the balance fund value at any time during the settlement period. No Partial Withdrawals or switching of Funds will be allowed during this period

The amount will be paid out to the appointee if the nominee is a minor. However, at any point of time, the death benefit will not be less than 105% of the total premiums paid during the policy term.

In case of paid-up policies, on death of the life assured, an amount equal to the higher of the paid-up sum assured or fund value will be payable to the Nominee/ Appointee/ Legal Heir, as per the payout option selected by the policyholder at the inception of the policy.

In case of the life assured's demise, where the Life Assured is a minor and the commencement of life cover is yet to begin, the death benefit will be equal to the Fund Value.

What is the impact of partial withdrawals on death benefit?

The sum assured/ paid up sum assured will be reduced by the amount equal to the partial withdrawals, if any made during the 24 months immediately preceding the date of death of the life assured.

6. What are the tax benefits applicable under your policy?

Tax benefits may be available on premiums paid and benefits receivable as per prevailing Income Tax Laws. These are subject to change from time to time as per the Government Tax laws. Please consult your tax consultant before investing.

7. What are the different fund options available?

We provide you with 4 fund options. You may choose what percentage of premium you would like to allocate to each of these funds.

| Fund name | What does the fund do? | | Asset allocatior | ı | Risk profile |
|--|--|-------------------|------------------|-----------------|--------------|
| | | Equity | Debt | Money market | |
| Equity1 (SFIN: ULIF 009010910 EQUTY1FUN D143) | Provides you high real rate of return in the long term by investing more in equity investments. There is a high probability though, of negative returns particularly in the short term. | 80% to 100% | 0% | 0% to 20% | High |
| Balanced1 (SFIN:ULIF 011010910 BALAN1 FUND143) | Provides you investment returns that exceed the rate of inflation in the long term. There is a moderate probability though, of negative returns in the short term. | 50% to 70% | 30% to 50% | 0% to 20% | Medium |
| Debt1 (SFIN:ULIF01 001091 0DEBT01FUN D143) | Provides you investment returns that exceed the rate of inflation in the long term. There is a low probability of negative returns in the short term. | 0% | 70% to 100% | 0% to 30% | Medium |
| Value (SFIN:ULIF013 010910VALU E FUND0143) | Provides you moderate to high real rate of return in the long term by investing more in equity investments. We will try to provide long term capital appreciation through investment in equity shares that are relatively undervalued to their expected long term high earnings and growth potential. There is a high probability though, of negative returns in the short term. | 70% to 100% | 0% | 0% to 30% | High |

8. How do you move from one fund to another?

You can move from one fund to another by switching or by redirecting your premium.

What is switching?

Under switching you may transfer some or all your units from one unit linked fund to another.

Are there any limits for switching?

| Minimum switching amount | ₹5,000 |
|--------------------------|------------|
| Maximum switching amount | Fund value |

What are the charges for switching between funds?

You are allowed to make only two switches in a calendar month. Switches are free of charge. However, the unused free switches cannot be carried forward to the next calendar month.

What is premium redirection?

Under premium redirection you can redirect your future investments towards a different fund or set of funds. However, under the premium redirection option your past allocation of premium does not change.

Example: At the age of 30, you choose to invest your premiums in an Equity1 Fund, which is prone to high returns in the long term and high risk in the short

term. After five years, you have additional responsibilities and do not wish to take high risks with your investments. You can change your investment preference by redirecting future premiums to Debt1 or Balanced1 Fund which have low to medium risks in the short term.

9. How can you protect your investments from market fluctuations?

You can protect your investments from market fluctuations by transferring your money to a 'Liquid1' Fund during the last three years of your policy. A reminder about this option will be sent to you three years prior to the end of your policy term with further details about the same.

How does the transfer of investments to the Liquid1 Fund actually happen?

3% of your investment in each of the policy funds will be automatically switched to the Liquid1 Fund in each of the last thirty six monthly anniversaries prior to end of the policy term.

Does the proportionate allocation of remaining funds change on transfer to the Liquid1Fund?

No. When we transfer your funds to the Liquid1 Fund, the ratio in which your remaining funds are allocated does not change.

| Fund name | What does the fund do? | Asset allocation | | Risk profile | |
|-----------------|--|------------------|----------------|--------------|-----|
| | | Equity | Debt market | Money | |
| Liquid1 Fund | Provides steady investment returns achieved through high investment in money market securities. There is a low probability of negative returns in the short term | 0% | 0% to 20% | 80% to 100% | Low |

How are funds deployed under the Liquid1 Fund?

10. Are partial withdrawals allowed?

Yes. You may access your money in case of any financial emergency, by withdrawing partially. Partial withdrawal is allowed after life assured attains age 18 years.

| Regular/ Limited premium | If you have paid your premiums for the first 5 years, you can withdraw your money partially after the fifth policy year. |
|--------------------------|--|
| Single premium | You can withdraw after completion of the fifth policy year. |

Are there any limits on partial withdrawals?

| Minimum withdrawal | ₹5,000 |
|--|--|
| | Up to 25% of the fund value, only if your fund is left with a minimum balance equal to 110% of your annual premium after the withdrawal |
| Maximum withdrawal - Single premium | Fund value after the withdrawal should not be lessthan₹45,000 |

Example: You can withdraw up to ₹20,000 if you pay an annual premium of ₹ 15,000 and have accumulated a fund value of ₹ 80,000 over a few years (25% of the fund value).

There are no partial withdrawal charges applicable.

- If you do not exercise any option with in the revival period then, it will be considered that you

have opted for the option of complete withdrawal from the Policy. In such a case, the Policy will terminate after paying the Fund Value and the Policy cannot be revived thereafter.

- e. For a Paid-Up Policy, the Sum Assured will be reduced to the extent of Paid-Up Sum Assured. The Fund Value will be a part of Funds chosen by you and all charges will continue to get deducted as described under this Policy. On the Life Assured's death under a Paid-Up Policy, the Paid-Up Sum Assured or Fund Value, whichever is higher will become payable and the Policy will terminate. On survival of the Life Assured till the Maturity Date, the Fund Value will become payable and this Policy will terminate.
- f. In case of Regular Premium/ Limited Premium, after 5 Policy Years, if the Fund Value is not sufficient to deduct all the applicable charges, then, the Policy will be foreclosed. In case of Paid-Up Policy or non-payment of future due Premiums after 5 Policy Years, if the Fund Value falls below 110% of Annualized Premium, then, the Policy will be foreclosed and the Fund Value will become payable.

15. What is the Free Look Period available in your policy?

You can return your policy within the Free Look period; In case you do not agree to the any policy terms and conditions, you have the option of returning the policy to us stating the reasons thereof, within 15 days from the date of receipt of the policy. The free-look period for policies purchased through distance marketing or electronic mode will be 30 days.

Do you get any refund when you cancel your policy?

Yes. We will refund an amount equal to the -

Non-allocated premium plus charges levied by cancellation of units plus fund value at the date of cancellation

Less: i. Pro-rata mortality charge

- ii. Any stamp duty paid
- iii. Expenses incurred on medical examination, if any.

This amount is adjusted by the fund performance between the date of receipt of premium and the date of cancellation.

16. How do we value units in your policy?

We will value your units in line with the unit linked guidelines/ and circulars issued by the IRDAI. As per the prevailing guidelines of the Authority, Unit Price will be calculated as follows –

Market value of the investment held by the fund

Plus: value of current assets

Less: value of current liabilities and provisions, if any,

Divided: by the number of units existing on the valuation date (before creation/redemption of units).

When divided by the total number of units in the fund at the valuation date (before any units are redeemed), we get the unit price of the fund under consideration.

17. Allocation of premium to units

When and how does your premium get allocated to units in your policy?

The allotment of units to you, the policyholder will be done only after we receive the premium amount. The premium allocation to the units varies according to the following situations –

| 1. | Vew Business | We will allocate new units on the day we receive premiums if we receive these before 3:00 p.m. They are allocated the next day if we receive them after 3:00 p.m. |
|----|---------------------|---|
| | Renewal Premiums | We will allocate the premium on the due date, whether or not it has been received before due date. (This assumes that the full premium is received on the due date). We will keep the renewal premiums received before the due date in the deposit account. It will not earn any returns until the renewal premium due date. On the due date, we will use the same for unit funds. |

How do we value your units at the time of renewals and redemptions of your premiums?

We will value your units in line with the unit linked guidelines issued by the IRDA.

| For renewal premiums/ funds switch/maturity / surrender received till 3:00 p.m. | We will apply the closing unit price of the day on which your renewal premium/ funds switch/ maturity/ surrender is received. This can happen only if we receive it by 3.00 p.m. along with a local cheque or a demand draft payable at par at the place where the premium is received. |
|--|---|
| For renewal premiums/ funds switch/maturity / surrender received after 3:00 p.m. | We will apply the closing unit price of the next business day if we receive your renewal premiums/ maturity/ surrender after 3.00 p.m. This has to be accompanied with a local cheque or a demand draft payable at par at the place where the premium is received. |
| For outstation cheques/ demand drafts | We will apply the closing unit price of the day on which cheques/demand draft is realised if the cheque you issue for premium renewal is an outstation cheque/demand draft. |

Note: We will not accept any amount less than the due regular/ limited premium payable stated in the contract.

Disclaimer

Under this plan the investment risk in the investment portfolio is borne by the policyholder.

[#]Tax exemptions are as per applicable tax laws as amended from time to time.

Unit-linked life insurance products are different from the traditional insurance products and are subject to risk factors. The premiums paid in unit-linked life insurance policies are subject to investment risks associated with capital markets and NAVs of the units may go up or down, based on the performance of fund and factors influencing the capital market and the insured is responsible for his/her decisions.

IndiaFirst Life Insurance Company Limited is only name of the Insurance Company and IndiaFirst Smart Save Plan is only the name of the unit-linked life insurance contract and does not in any way indicate the quality of the contract, its future prospects, or returns. The various funds offered under this contract are the names of the funds and do not in any way indicate the quality of these plans, their future prospects and returns. Please know the associated risks and the applicable charges from your Insurance Agent or the Intermediary or Policy Document issued by the insurance company.

Under this plan, some benefits are guaranteed and some benefits are variable with returns based on the future performance of your Insurer carrying on life insurance business. If your policy offers guaranteed returns then these will be clearly marked "guaranteed" in the Sales/Benefit illustration table. If your policy offers variable returns then the Sales/Benefit illustrations will show two different rates of assumed future investment returns. These assumed rates of return are not guaranteed and they are not the upper or lower limits of what you might get back, as the value of your policy is dependent on a number of factors including future investment performance.
