

Policy Covers Everything But This[^]

At Reliance General Insurance, we believe in transparency. To ensure that you do not face any unpleasant surprises while making a claim, do take a look at some of the major exclusions of the policy:

- Normal wear and tear of the vehicle
- Mechanical and electrical breakdown
- Vehicle being used other than in accordance with the limitations to use. For example, if you use your two-wheeler for remuneration purposes
- Damage to/by person riding without a valid driving license
- Loss or damage caused while riding under the influence of alcohol, or any other intoxicating substance
- Consequential loss - if the original damage causes subsequent damage/loss, only the original damage will be covered
- Compulsory deductibles - a fixed amount that gets deducted at the time of the claim

[^]This list is indicative. For detailed understanding of general and permanent exclusions do read the prospectus / policy wordings available on our website www.reliancegeneral.co.in
