Now being a non-smoker gets even more rewarding!

You get discounts on premiums, for being a non-smoker under this Plan. The table below shows the indicative Regular premium exclusive of applicable taxes for smoker and non-smoker male, aged 35 years, with coverage of ₹ 50,00,000 (₹ 50 lakhs) Sum Assured under Level Term Assurance:

Two Plan Options

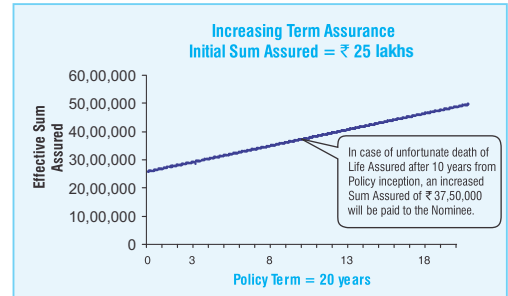

To suit your insurance needs, we have a plan with the flexibility to choose from 2 options:

- **Level Term Assurance**

If you want to go for a level cover throughout the entire term of the plan, then this is the option for you. And the good thing is that it still comes to you at an affordable cost. To ensure that your family is able to maintain the standard of living that they currently enjoy, you can choose a Sum Assured, keeping in mind their requirements.

- **Increasing Term Assurance @ 5% Simple p.a.**

When you consider that over time, factors like inflation, a higher standard of living, etc. start putting pressure on your savings, you would realize the true worth of this option. Increasing Term Assurance is ideal if you want to ensure that there is absolutely no compromise on your future plans. This option increases your insurance cover, year on year, for a small additional premium. Quite simply, when you opt for an increasing cover option, you do not need a fresh policy even if your liabilities increase.

Death Benefit

In case of death of life assured, effective sum assured as on the date of death will be paid to the nominee.

Effective Sum Assured for level term as on date of death will be level sum assured opted.
